

May Newsletter 2021

Dear Parents and Carers

At last we have had a half term of almost normality. It actually feels like we are on the road to recovery, finally. Children's resilience never fails to amaze me. Our children are so eager to learn and it is such a pleasure to be in school every day.

This week we said our goodbyes to Nicole Lidsey. Our pupils have made a musical tribute to her, which can be seen on our school website. I would like to say thank you to all of my teachers and support staff who have given their time to support our children in making this memorial page. Our thoughts, as always, are with the Lidsey family.

There has been very little change in guidance this term for the education sector, in terms of COVID. We are waiting for new guidance which we are expecting before the 21st June. I will update you as soon as I have new information.

I am sure that you are all looking forward to this half term holiday. I can hardly remember the last time I saw my family and I am certain that many of you have been in the same situation, where your family lives many miles away. I hope that you have a restful and enjoyable holiday.

Stay safe.

Mrs Bardetti

Headteacher

COVID TESTS

Please can I remind you that a Lateral Flow Test is not the test that can be used when a person has symptoms of COVID. If your child has any of the COVID symptoms they **MUST** take a PCR test.

Governor Corner

I was involved with Holland Haven long before I became a governor. As a local minister, I was invited to lead monthly assemblies when I moved to Holland-on-Sea back in 2016. Even just coming in once a month, I could see what a special place Holland Haven was, so I was very happy to start sending my children here and I jumped at the opportunity to become school governor in December 2018. Being governor was a great way to get even more involved with a school that I loved.

So, it has been very disappointing that over the past year Covid-19 has kept me and the other governors distanced from the everyday activities of the school. On the other hand, though, it has been very encouraging to see just how dedicated Mrs. Bardetti and her staff are to all of our children. Everyone at Holland Haven is working

tirelessly and selflessly to ensure that our children are not only educated, but encouraged to thrive even in the most difficult of times.

I already knew that our teachers and staff were very good, but the challenges of this past year have highlighted just how amazing they really are. We are blessed to have such wonderful people caring for our children.

Ti Chase LA Governor

May 2021

Friday 28th May - Non-pupil day

Monday 31st May - Half term break

June 2021

Monday 7th June - Return to school - Week 1 for dinners
