Any Other Comments

The Early Years teachers are great and supportive.

Overall I feel that the EYFS is to a high standard and have no major concerns.

Only concern is playground observation, talks to us about situations at playtime that are not seen by staff and worries about this.

I think has settled in really well and has made excellent progress due to Miss Bareham and Miss Belcher and the team. I feel Miss Bareham is an excellent teacher and understand's needs.

Thank you for all you do to help which has had a great impact on his confidence and attitude towards school and social skills.

We really couldn't be happier with the EYFS at Holland Haven. The level of teaching is fantastic, communication is always great and our child is learning well. And, most importantly, is so happy.

The EYFS team at Holland Haven are superb; they get to know the children and their needs very quickly. They surpass themselves in trying to meet their needs to help their progress. Choosing Holland Haven and the EYFS team was the best thing we ever did for our son's happiness and to give him the best possible start.

I am very pleased with my child's progress and the school generally. I have no complains at all.

I am very happy with how the school runs and my daughter loves coming to school. My only fault would be after-school clubs and activities.

Wonderful school!

We have been extremely pleased with how well has settled into Holland Haven and the EYFS unit. We couldn't have chosen a better school for our special boy. Thank you for making the whole transition to big school a seamless and a happy experience. I asked if he was looking forward to going back to school after the easter holidays and he said, "Yes of course! I love school!"

Super impressed with Holland Haven. has come on in leaps and bounds!
