Dear Colleagues

I was very pleased to receive the report of the recent inspection at your school which judged your school as good overall.

The report is clear that the school has much strength which includes:

- Governors are a strong strategic body offering insightful challenge and support.
- Leaders' intentions for the curriculum are implemented. The curriculum is inspirational and an area of particular strength.
- Areas for improvement identified by the previous inspection have been tackled with great determination and success, so that previous relative weaknesses are now strengths.

The report is also clear that you know what needs addressing and are taking the steps to do this. We know that such a report is the outcome of huge amount of dedication and hard work by staff, and from careful oversight by governors who give freely of their time and energy.

All the very best to you and your school community as you reflect on all the very positive comments in the report, and also as you move on to the next stages in the school's work on your journey to outstanding.

Very best wishes in the important work you do.

Yours sincerely

Clare Kershaw
Director of Education
