

Holland Haven Primary School

'Reach for the Stars'

10th September 2020

Dear Parents and Carers

If your child is unwell

If you have any concerns about your child or anyone in your family setting possibly having Covid-19 symptoms (any **one or more** of the following: temperature of 37.8 or above, a new persistent cough or loss of taste or smell) your child/children must **NOT** attend school. You must arrange for your family to be tested for Covid-19 straight away and notify us about the test outcomes. If the test is positive, you will need to self-isolate for 14 days. Public Health England will be informed and they will advise us on the next steps and who will also need to self-isolate within the school.

If you child becomes unwell at school

During the day, if your child displays signs of Covid-19, you will be called by the school office and you will be expected to collect your child as soon as possible, along with siblings in school. Please ensure that you have plans in place in advance for this eventuality. You must immediately arrange for your family to be tested for Covid-19 and notify us as soon as possible, about the test outcomes. You will need to self-isolate for 14 days if the test is positive.

Yours faithfully

Mrs S Bardetti
Headteacher
